

Consumables

(Add-on cover in vehicle)

Consumable cover

Consumable cover is a type of insurance add-on that provides coverage for consumable items or components of a vehicle. Consumable are parts that need regular replacement or maintenance due to wear & tear during normal vehicle operation.

- Savings on Out-of-Pocket Expenses
- Reduced Maintenance Costs
- Enhanced Vehicle Lifespan
- Coverage for Unforeseen Events
- Added Vehicle Value
- Tailored Protection
- Non-Listed Consumables

A hand holding a magnifying glass over the word "Benefits" on a wooden surface. The word is in a bold, black, sans-serif font. The magnifying glass is held by a thumb and index finger, and the lens is focused on the word. In the background, there are some colorful letter blocks on the wooden surface.
